WORK EXPERIENCE

AVENUE PROPERTIES   Remote
Web Development Intern   Jul 2022 – Aug 2022
- Website Development: Work closely with the frontend development team to implement design concepts and develop new features for the Avenue Properties website.
- Responsive Design: Ensure that the website is fully responsive across various devices, providing an optimal user experience for both desktop and mobile users.
- Cross-Browser Compatibility: Test and ensure the website's compatibility across different browsers, ensuring a seamless experience for all users.

PROJECTS

SMARTUBE 🔗   Apr 2023
- Smartube is a web application that serves as a YouTube clone, replicating the core functionalities and user interface of the popular video streaming platform.
- Built using HTML, CSS, JavaScript, Material UI, and RapidAPI, Smartube offers users a familiar and intuitive experience while incorporating additional features and enhancements.

CHEF'S CORNER 🔗   May 2023
- A recipe web app built with React.js, Tailwind CSS, and a React-based API, allowing users to browse and search for recipes with a modern and responsive user interface.
- The backend API serves recipe data, while the frontend fetches and displays recipes in a grid layout. Users can click on a recipe card to view its details.

PORTFOLIO 🔗   Jan 2023
- Portfolio Website! Powered by ReactJS and styled with Tailwind CSS, this platform showcases my projects and skills in an interactive and visually appealing manner and Hosted on Vercel.
- My diverse range of projects, from responsive web apps to innovative user interfaces, each highlighting my problem-solving abilities and dedication to web development.

ADDITIONAL

Technical Skills: Javascript, HTML/CSS, ReactJS, Python, MongoDB and NodeJS.
Certifications & Training: Top Performer in **Nasscom Python (CodingNinja)**, Online course on **Basics of Network Security** (Coventry University and Institute of Coding).

ACTIVITIES

College Coding Club   Rajasthan, India
Member   Aug 2019 – Present
- Took part in various internal Contests and Hackathons.
